Examination, Grading and Credit Transfer	<p><i>Examination</i> is important for the learning process and for quality control as well as control of how well expected learning outcomes have been achieved by the individual student. Forms of examination vary throughout the programme.</p> <p><i>Grades</i> are set in accordance with the stipulations of the Higher Education Ordinance (1993:100). The grades given are Passed with Distinction, Passed and Failed or according to agreement between X University and Ersta Sköndal University College (for practice and clinical studies, usually Passed or Failed, or as agreed with the concerned parties). Unless otherwise prescribed in the course syllabus, grades are given at the end of each course. Grades are set by a specially appointed examiner.</p> <p>Students who do not pass their exam on the normal first occasion are offered a further four chances within a reasonable space of time. Students who fail an exam twice have the right to request another examiner. Such requests shall be made to the responsible head of department for this under-graduate programme or a designated deputy. Students who fail their field practice may have the chance of a second trainee post. Students who also fail at this second attempt may not continue studies in this programme.</p> <p>The right to transfer of ECTS from previous studies is assessed in accordance with the rules of the Higher Education Ordinance (1993:100). This assessment is carried out by the head of department or a designated deputy if so applied for by a student.</p>
